David,

We are submitting the attached systematic review formaldehyde-allergies-asthma through STICS. I'm listed as corresponding author now (although that will probably switch to Barbara since it is so close to when I leave), so it is going through Sue Rieth to Vince, but we wanted you to see it, too.

Hi Crystal,

Please submit the attached manuscript to STICS for clearance. I've also attached 2 reviewer forms (plus the STICS form, and 3 files for the manuscript – figures, the main file, and a supplemental material file).

I think it would go to Sue Rieth, and then to Vince. I will send it separately to David Bussard because Barbara Glenn is a co-author.
